Street Charity®

Feed a person. Not a Habit

The Challenge

We knew that handing out dollar bills to people in need wasn't the answer. They were often misused and perpetuated unhealthy behaviors.

Street Charity created a way to leverage financial technology with fast food to develop the first-ever **\$5 Street Charity Discover® Prepaid Card that works at every major fast food brand across the US (and only there!)**. These cards are technologically designed to be redeemable only at fast food restaurants. After 6 months, any unredeemed monies expire and are shared with food banks and other nonprofits.

Now, anyone can provide **immediate access to food** to those in need with complete confidence that someone is going to eat!

Our Mission

Leverage innovation to address hunger, touch lives and impact communities.

John Patton
Founder

Our Values

DIGNITY • HUMILITY • URGENCY
CREATIVITY • COMPASSION

Who are Street Charity Discover® Prepaid Cards for?

**Street Charity
is for
the Homeless**

There were 771,480

homeless people in the US in 2024.
This represents an increase of over
18% since 2023.

**Street Charity
is for Veterans**

1.4 Million Veterans

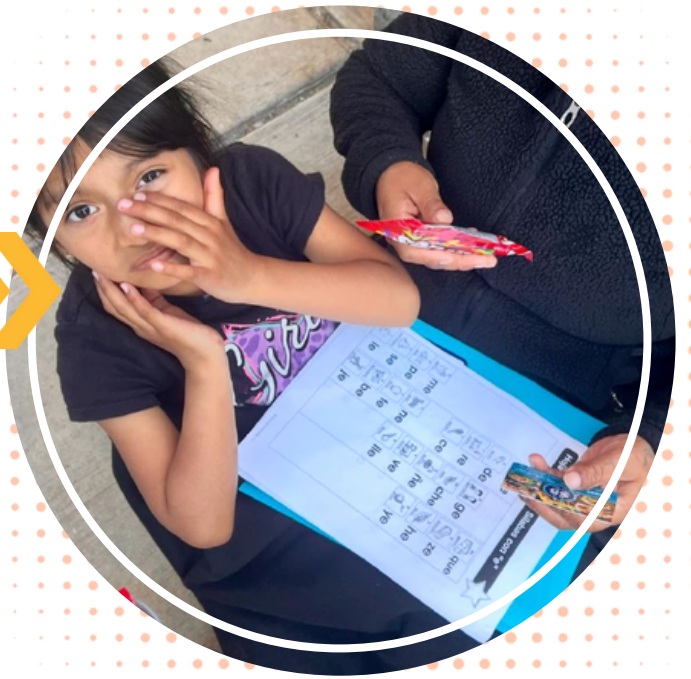

are food insecure in the US, and
nearly 50,000 are homeless.

Street Charity is for **Students**

1 in 5 Children

are food insecure in the US and have limited access to food when school is not in session. Additionally, there are thousands of homeless students in every city, compounding the need for convenient access to food.

Street Charity is for **Restaurants**

There are 240,000

fast-food restaurants in the US serving hot meals every day and Street Charity drives revenue to these owners and companies.

Street Charity is for **Organizations & Employers**

Street Charity Cards are for churches, civic organizations, nonprofits, and employers that want to empower and equip their members and employees to give back to their community.

How does the program work?

1 Individuals or Organizations Donate

Street Charity sends cards to the individual or organization to distribute in their own community.

2 Give

Donors distribute the cards to individuals in need or to crisis-care organizations.

3 Receive

The recipient can take one or more Street Charity Cards to hundreds of thousands of fast food restaurants and redeem them just like a gift card.

4 Food Banks & Shelters

A percentage of any unused balances or unredeemed cards will be shared with local food banks.
